BE AFRAID, Australia!

Man-eating maggies are feeling peckish

FLIGHT CLUB!

GIANT white pointers? Fooey! Man-eating salties? Fuck off! While Australia boasts some of the finest HUMAN-KILLING critters on the planet, they're really just there to impress the tourists.

No, what we're really SHITTING OUR REG GRUNDIES about at the moment is this fucker, the Australian magpie, or gymnorhina tibicen to all you LATIN CUNTS out there.

Right now, all across the country, these vicious black and white bastards are preparing to PECK YOU BLOODY, then shit on your car. And possibly drink your beer.

The eggheads claim it's because it's the bird's nesting season, but we say that's a load of DINGO DUNG.

Our theory is that the DIVE-BOMBING DICKHEADS hate our guts and just use the whole nesting thing as an excuse.

Either way, it's us or them.

One method we like is to line a hat with plastic explosives and detonate it as soon as the bird swoops, but that has some drawbacks, like BLOWING YOUR HEAD OFF.

Really, you're better off just staying inside, reading THE PICTURE and watching the footy finals until they calm down. ■ Picture

NEW TITS ON THE BLOCK

Little WONDER

Martisha's little, but she's very, very nude

THIS exquisite bundle of hornbaggery is Martisha, from the Ukraine who, at just 150cms tall, is one of the tiniest NTB girls we've ever had.

So we'll keep it SHORT, ha-fucken-ha, this time and just ask her to tell us something AROUSING about her day-to-day life.

Take it away, Martisha.

"I like to be nude a lot, so in the winter when it's cold I put the central heating on high and spend the day at home naked. I'm always answering the door in the nude and forgetting I don't have any clothes on."

Do you order a lot of pizza?

"Yes, but they never seem to mind."

Be mad if they did. Stay strong, stay nude, Martisha.

Porn actress Alison Angel may be from Tennesee but she loves getting her tits out in Texas. It must be all those longhorns that gather round when she does.

SAN FRANCISCO!

We don't know Cadence personally, but we're guessing by her welcoming smile and generous display of tittage that she's a very warm and caring person.

PRAGUE!

Hungarian model Alisa here takes THREE HOURS to scrub her massive norks. That's why she uses a pool or a CAR WASH to get clean.

NEWS FLASH

THIS SHIT REALLY HAPPENED!

MAD, CRAZY LOVE

MEN like fucking crazy women – that's the conclusion of a beaut new scientific study. The research revealed that men have better sexual experiences with women who are emotionally unstable. ie, NUTTY AS FRUITCAKES, mad as cut snakes – fucken BONKERS. It didn't reveal the cause of men's attraction to BUNNY BOILERS, but we reckon it's probably because they're less likely to nag you about cleaning the gutters.

GLASS OF PUNCH?

WE ALWAYS thought rum was the fightingest drink of all, well, we were wrong. AGAIN. A Pommy scientist reckons vodka mixed with energy drink Red Bull is the champion stoush kicker-offer– at least in FISH. Dr. Matt Parker of the University of Portsmouth dosed a bunch of fish with alcohol and taurine, the stuff that gives Red Bull its kick, in various combos and found that the ones that got BOTH were more likely to get into scraps with other fish.

HEADS UP!

FORMULA 1 driver Charles Leclerc, from Monaco, nearly lost his scone when competing revhead Fernando Alonso MOUNTED HIM during the first lap of the Belgian Grand Prix in Spa-Francorchamps. Commentators reckon Leclerc might have been seriously de-nogginised if not for the halo, a new gizmo being installed in F1 cars. It kinda looks like a big donut that sits over the driver. Chuck was pretty chuffed that he had it in his car. "I don't know how it would have ended up without but, looking at it, I'm happy it was there," he said.

BLOW ME!

A KNOCK SHOP staffed entirely by silicone sex dolls has opened in Canada. Aura Dolls, situated behind a tannng salon in Toronto, has six, erm... LADIES on offer, including large-titted stunner Anna, right, who apparently "loves to have fun and is very social." You can rent one plazzo pal for $120 an hour, but the best deal is a four hour sesh with two dolls for $960. If you get tired you can always just watch.

CRASH TEST!

Sure, fuck it, but don't expect a baby

WHAT A BUMMER

A YOUNG married couple in China who were trying to have a kid for FOUR YEARS had to be told the right way to do it is not UP THE DATE. The couple from Bijie went to a fertility doctor and when he examined the woman she was still a virgin but had an arsehole like a two-car garage. He set them straight, and now she's popped out a bub.

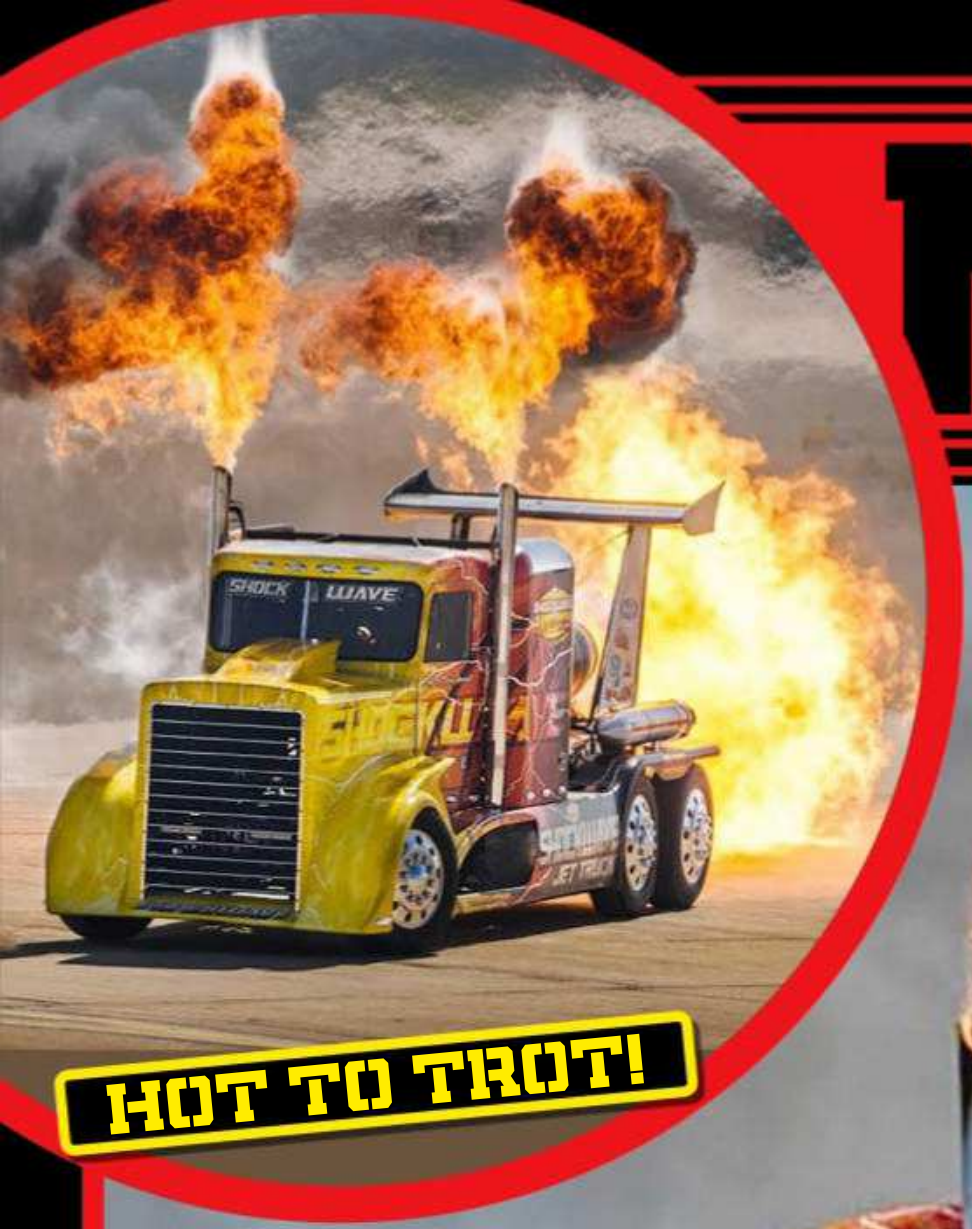
Sexy, but has really bad fish breath

FLIPPER'S A PERVERT

HOLIDAY makers in a French coastal town have been told to stay out of the water for fear of getting FUCKED by a sex-mad dolphin. Tourists in Landévennec, Britanny, have gotten used to seeing the dolphin they've named Zafar swimming around with a HUGE STIFFY and rubbing it up against swimmers, and, failing that, boats and wharves. He's probably been eating too many OYSTERS.

WE DREW A COCK ON IT #326

MOTHE



HOT TO TROT!

IMAGINE you're driving this baby home and the filth pop on the lights and siren behind you.

"Sorry – pull over? Yeah, nah – don't think so," and you hit afterburners on your three Pratt & Whitney J34-48 jet turbines and fry the cop car behind you like microwaving a stale sausso roll.

'Cos Shockwave, the mega-mindfuck jet-powered Peterbilt semi, has got more grunt than a barn full of drunk hogs.

It's three donks come from US navy jet trainers and generate 36,000 horsepower, which is good for about 605km/h, give or take a few pfennigs.

Co-owner – with his son Chris – Neal Darnell, said: "The added afterburners double the horsepower and thrust, so Shockwave literally has six times the power of the jet airplane these engines came in."

Rightio, mate – you had us at HORSEPOWER and THRUST.

Other interesting TIDBITS about the ol' Shocko is that when they chuck out the parachutes to stop it, the driver experiences up to negative nine-G, and it burns through 700 litres of motion lotion per performance.

And given the cost of fuel these days, either one of those'll make your fucken eyes pop. **Picture**

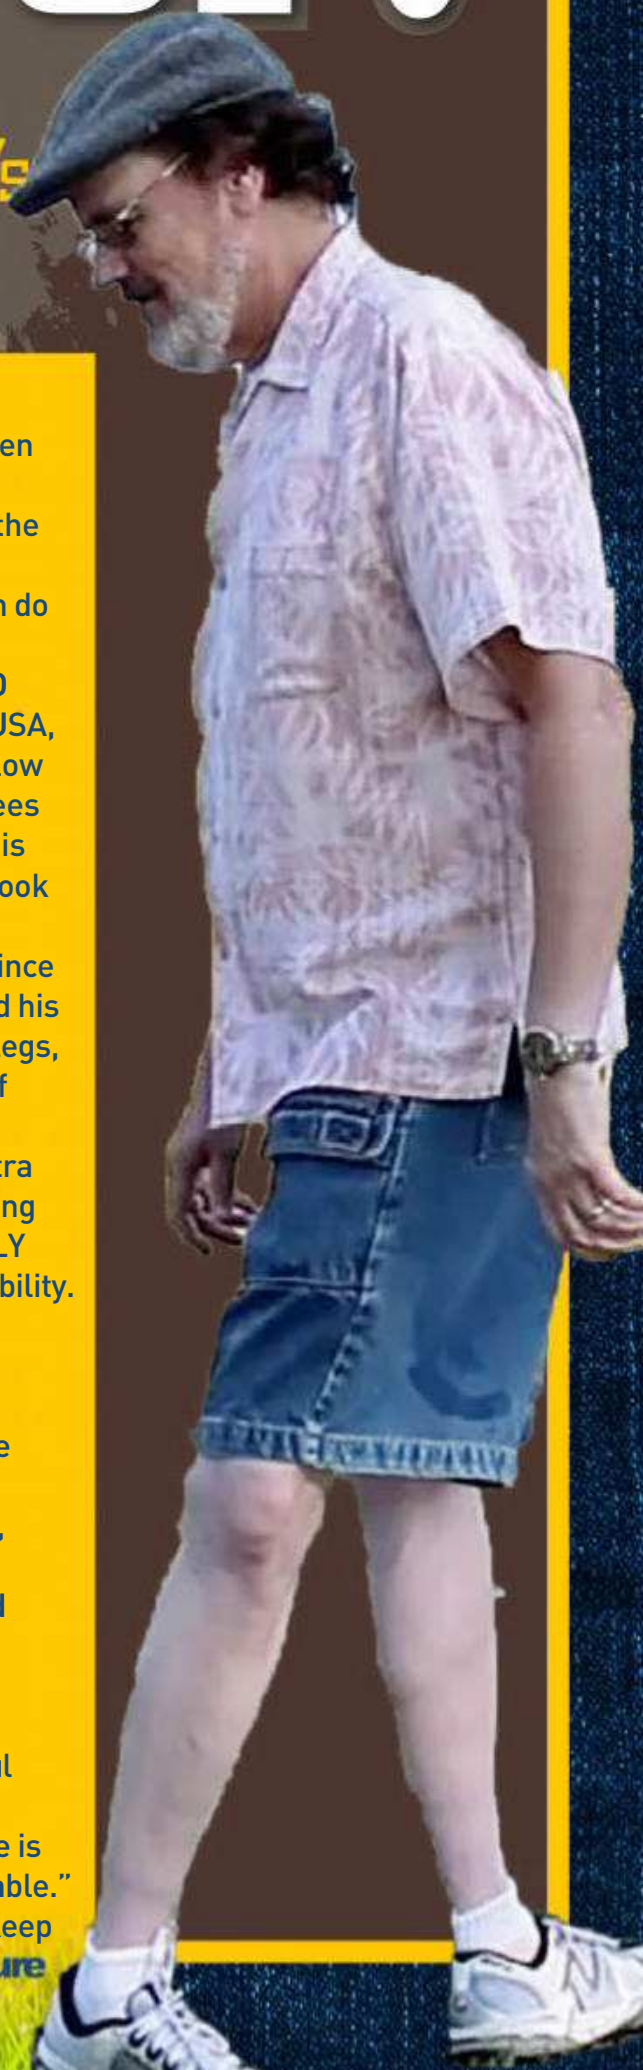
Lolly legs Seppo doesn't know if he's coming or going

MOONWALK CHAMP!



WE USUALLY only walk like this after a few dozen beers and chewing the hallucinogenic bark of the endangered Ersenkrautz pine, but SUPERIOR SEPPO Moses Lanham can do it anytime he wants.

That's because Moses, a WILY OLD CUNT of 57 from deepest Michigan, USA, has genetically WONKY LEGS that allow him to turn his feet around 180 degrees and walk BACKWARDS. Erm... with his feet pointing the other way. Ah, just look at the pictures.

Mo's been doing this sort of thing since the age of 14, when he first discovered his legs were different to the other kids' legs, and that he was probably some sort of HORRIBLE MUTANT.

Which indeed he was, born with extra tissue and cartilage in his joints, making his hips, knees and ankles BERSERKLY bendable, a condition called hypermobility.

But good luck to him, Mo's turned lemons into lemonade and has made an honest buck out of his SHOCKING DEFORMITY by demonstrating it to the paying public on and off ever since.

Maybe not Michael Jackson money, but some handy change nonetheless.

"I'm the only one that holds a world record for turning their feet around backwards and walking the farthest distance," Mo says.

"A lot of people ask me if it's painful for me to do this, if it hurts or feels uncomfortable. My answer to all three is not at all – it's actually more comfortable."

Yeah, sounds reasonable. Go Mo. Keep walking backwards, brother. ■ Picture

LD'S TEST TS!

We get sciency and prove why all norks aren't equal

DON'T get us wrong. All boobs are good – but some boobs are just a bit better than others.

And now we can actually say WHY. According to leading London plazzo surgeon Dr Patrick Malluci, the perfect titty has 45 per cent of its busty substance above the line of the nipples and 55 per cent below, with the nipples pointing upward at an angle of 20 degrees.

Noted nork-bearers Scarlett Johansson, Megan Fox, Miranda Kerr, Katy Perry and Kelly Brook all supposedly have such GOLDEN TITTAGE.

Dr Malluci reckons it's the relative size of the upper and lower halves of the nork that holds the secret.

He believes the most appealing female breasts should be only slightly smaller above the nipple than below.

He came to this STAGGERING conclusion after asking 1000s of research subjects to rate tit after tit.

Thankfully, they STOOD UP to the gruelling test to bring us this life-changing news.

We don't how many of the following world-beating gazongas EXACTLY follow the doc's specifications, but they all look pretty fucken good to us. Picture

100% POLITICALLY INCORRECT!

A LITTLE old lady walks into the bank with a bag of money. She insists that she speak with the president of the bank.

She tells the bank president that she has accumulated several hundred thousand dollars over the years and would like to open a trust account in the bank.

The president is curious, so he asks her, "Where did you get all this money?"

The old lady replies, "I make bets."

The president then asks, "Bets? What kind of bets are you talking about?"

The old woman says, "Well, for example, I'll bet you $25,000 that your balls are square."

"Ha!" laughs the president. "That's ridiculous; you can never win that kind of bet!"

The old lady challenges, "So, would you like to take my bet?"

"Sure," says the president. "I'll bet $25,000 that my balls are not square!"

"Alright then," says the lady. "I'll bring my lawyer with me tomorrow at 10 a.m. as a witness, and we'll see."

The next morning, the little old lady appears with her lawyer at the president's office. "OK, big shot," she says. "Time to drop your pants and settle this bet."

The president complies. The little old lady peers closely at his balls and asks if she could feel them.

"Well, OK," says the bank president. "Since there's so much money on the line."

As soon he hears that, the lawyer starts banging his head against the wall. The president asks the old lady, "What the hell's the matter with your lawyer?"

She replies, "I bet him $50,000 that at 10 a.m. today, I'd have the president of the bank's balls in my hand."

A MAN and his wife went back to the hotel where they spent their honeymoon for their 25th anniversary. As the couple reflected on that magical evening 25 years before, the wife asked the husband, "When you first saw me naked in front of you, what was going through your mind?"

The husband replied, "All I wanted to do back then was to fuck your brains out, and suck your tits dry."

Then, as the wife undressed, she asked, "And what are you thinking now?"

He replied, "I'm thinking t looks as if I did a pretty good job."

JOKE OF THE WEEK WINS $100

FOUR nuns die and arrive at the pearly gates. Saint Peter is there and asks the first nun if she had ever touched a penis.

"Yes," she admits. "I once touched a penis with the tip of my finger."

"Dip your finger into the holy water and enter the Kingdom of Heaven," says Saint Peter. The nun dips her finger in the holy water and enters heaven.

Saint Peter asks the same question of the second nun.

"Yes," she admits. "I once touched a penis with one hand."

"Dip your hand into the holy water and enter the Kingdom of Heaven," says Saint Peter. The second nun complies and enters heaven.

At this point, the fourth nun abruptly cuts in front of the third sister.

"Hang on!" she says, pointing at the third nun. "You'd better let me go next, because there's no way I'm gargling that shit after this one sticks her arse in it!"

He takes a look at the menu and it reads as follows:

Hamburger - $6.99
Cheeseburger - $7.99
Chicken Sandwich - $8.99
Hand Job - $19.99

The old fella looks around for the bartender, and up walks this tall, busty, beautiful redhead in her mid-twenties.

She smiles at the bloke and he asks in a quiet voice, "Are you the one who gives the hand jobs?"

The stunning redhead blushes slightly and says "Yes, I am" with a sexy little smile.

The bloke grins and says, "Well, wash your hands, I want a cheeseburger."

MUNGO'S ON TWITTER

That's right, I'm tweeting me heart out for the people. None of that what-I-had-for-brekky or I-just-done-a-big-poo stuff, just my usual classy shit. It's at: https://twitter.com/ThePictureMungo

VEGAN DILDOS

HEY Mungo, not sure if the size is right, whatever floats your boat, but it's great to see they cater for everybody. Not sure what sort of 'entertaining' the marketing team had in mind though...

R.C., NO ADDRESS GIVEN

MUNGO SAYS: Maybe you're supposed to start out on the little fellas and work your way up to those big ones that look like Ron Jeremy's dick dipped in green paint. I reckon you're meant to save those for the main course. These ones are just appetisers.

Our next party is sorted

TOO CLOSE TO CALL

I WAS reading issue #1463 and on page 55 is the lovely Chloe. I'm thinking: "I know this chick from TV", but the chick I was thinking of was Abby Earl from *A Place To Call Home*. They could be twins they are so alike.

A.R., CABRAMATTA WEST, NSW

MUNGO SAYS: I've never rooted twins. Just something I never got around to, like the Harbour Bridge climb or doing my tax return. But looking at the gob-smacking similarity between Chloe and Abby, I'm starting to get ideas. Sure, it's never gunna happen, but a bloke can dream, can't he?

PAGE TURNER!

HOLY fuck! I just want to say that Kylie Page, your #1464 pin-up, has the hottest body of any chick I've ever seen doing porn. I like the way she's not super skinny and has a little tummy on her as well as a nice round arse, her tits are real and fall just right and she has a cute smile. The only thing that would improve her is if she'd grow a little patch of pubes, which relates back to the Bush is Back yarn a while back. I'm with the guy who wrote in last issue – I don't really fancy the full bush, but a little bit is nice.

A.L., BEGA, NSW

MUNGO SAYS: All duly noted, A.L. We love Kylie P too, and are on the case chasing up more piccies of her, so stand by. You never know your luck, maybe she'll grow a landing strip for ya.

Kyles is happy you love her, A.L.

LETTER OF THE WEEK
WINS $200

RUSSIAN ROULETTE

HEY Big Man. I just came back from an extended holiday in France, Russia, San Marino and Japan. And as per your request in Picture #1455 I am attaching a few snaps I took while on FIFA World Cup duties as a volunteer in Volgograd. As luck would have it I surrendered my beloved mag to a couple who saw me with it and asked me a few questions about Australia's number one fortnightly magazine. The guy was blown away by the outstanding photos and the girlfriend was very interested in the articles. They offered to buy it but in the name of fostering international relations between our two countries I gave it to them. Mungo, did I do the right thing?

L.B., ARNCLIFFE, NSW

MUNGO SAYS: Shit yeah! Gotta keep the Russkies on side. They've got nukes too, y'know. But I hear Putin's a big PICTURE fan, so he probably won't bomb us as long as we keep putting out this top little mag. We're always doing our bit for world peace. The UN's got nothin' on us.

LET IT ROLL

MUNGO, the latest craze among a lot of chicks is roller derby, where they put on skates and helmets and beat the shit out of each other while skating around a rink. What do you reckon about it?

M.E., MARRICKVILLE, NSW

MUNGO SAYS: Any activity that gets the womenfolk hot and sweaty is OK by me. But I'd like to see them doing something a bit more useful with all that pent up energy, like mowing the lawn or skating down the bottle-o to pick me up some cans.

MUNGO WANTS TO KNOW...

SNOW JOB!

SEPPO snowmobile racing ace Levi LaVallee had a dream. No, not that one about Angela White and a bucket of eels that we've all been having lately, but a different dream. A noble dream. Levi wanted to rip up the streets of the American city of St Paul on his snow-hog, leap over everything that could be leapt over, leaving nothing... erm... UNLEAPT. The winner of multiple medals at the Winter X games grew up near St Paul and always wanted to SHRED THE TOWN. "As a kid, you're always looking at things like 'Oh, I could probably jump that' when you're driving through a city. To be able to actually go do that, it was like a fairy tale." So Levi got his mates at Red Bull pull a few strings, the local cops blocked off some streets for him, and off he went. Did he have fun, you ask? Did he fucken what!

Red Bull

THAT'S INCREDI-BULL!

Texas mooer has record 2.5m horns

COWBOY Tuff Chex is one superstar bull. Not only does he have a stupidly fancy name and a horn spread of 2.54 metres, he was sold the other day for A$225,000.

Chexy was on the block at the cattle auctions in Fort Worth, Texas, and snapped up by specialist Texas Longhorn breeders Richard and Jeanne Filip.

So don't worry, he isn't going to be the main course at a very expensive barbie – he's going to spend the rest of his days fucking cute little cows. Picture

TALKING DIRTY

WITH TRINITY

100% uncensored sex advice from Australia's hottest stripper!

GANG SIGNS

TRIN, I'm a 22-year-old girl who is a massive nympho. I always want to fuck and I go through partners like nothing else. Now I want to try a gang bang. Do you have any suggestions on finding guys and doing it safely? I want every one of my holes to be stuffed with man meat.

SALLY, BRISBANE, QLD

"GIVE ME A GOOD PORN SCENE AND A RABBIT VIBRATOR"

TRINITY SAYS: ***Yes! I love the enthusiasm. You only live once babe, so enjoy life while you can. Online forums are a good place to start. Do your research on swinger's parties and couples clubs etc. Get to talking with people online who live in your area and they'll give you hot places and help you arrange.***

COME TOGETHER

WHAT'S the quickest way to get you to reach orgasm? I'd love to feast on your fish taco and to see your 'O' face! It'd be a dream come true. Maybe we can organise this and both get our rocks off?

N.V., MONKERAI, NSW

TRINITY SAYS: ***Anyone who says 'fish taco' is an instant no-go for me. It's so not sexy! But to make me come, just give me a good porn scene and a rabbit vibrator and I'm coming in less than a minute.***

KEEP UP!

TRINITY, I've got a little problem. Well, it's about my dick, so it's actually a big problem ha-ha. I'm struggling to keep my boner going strong and I'm not sure if it's a problem with me or 'cos I'm just bored of my missus? She's put on a few kilos the last couple years so I'm thinking it's her fault.

CLIVE, NARIEL VALLEY, VIC

TRINITY SAYS: ***Well, it's your fault for not talking to her about it and explaining how her weight gain affects you. You're enabling her. How about you try supporting her weight loss goals by fucking the shit out of her every day? That'll help her lose the weight and be enjoyable – fun and effective.***

WAD WARNING

OI LASS, what's cracking? I gots a question for ya. I got sucked off in a car park the other day by this fucken riglet chick but now she's not returning my calls. Am I meant to tell a chick before I blow down her throat? I thought chicks liked surprises ay.

ADLAY, SYDNEY, NSW

TRINITY SAYS: ***Judging by the way you talk I can see why she hasn't called you back, mate. It's always a good thing to be courteous during sex - clearly you weren't. But maybe your spunk tasted like shit and put her off. Who knows.***

TRIN'S TIP

Fuck your partner. If you don't, then let someone else do it. Don't be selfish. Better yet, speak your mind and get whatever it is off your chest and move forward together. Communication is everything.

TRINITY WANTS TO HEAR FROM YOU!

Do you have a question only a SEXPERT like Trinity can answer? Do you want some advice on women in general? Or do you just want to ask about her XXX-rated sex life? YEAH? Then write to Talking Dirty With Trinity, c/o THE PICTURE, GPO Box 5201, Sydney, NSW 2000, or send an email to trinity@bauer-media.com.au. She's waiting!

Lucie's rudest and nudest shoot ever

LUCIE POPS HER CHERRY!

IT MIGHT be her first ever nude shoot, but 21-year-old Lucie Jaid works the camera harder than you're currently BASHING THE BISHOP.

"I've always loved the camera, so it feels really natural to me," confessed the MAM-TASTIC Melburnite.

Did you have any nerves about nuding up?

"No nerves, but it was a bit strange posing nude in the kitchen wearing nothing but ear muffs! I've no explanation as to why a girl would randomly be naked with ear muffs on, but I think everyone will be distracted by the other muff anyway."

Ear muffs? What ear muffs? We hear you like your footy, who do you support?

"I go for the Hawks!"

If you could root any player who would you go?

"Hmm, tough question. My heart says Buddy Franklin but I still haven't forgiven him for trading to Sydney so it would be a hate fuck. I'm also shattered I can't go back in

"I'D HATE FUCK BUDDY FRANKLIN"

time and bender with Benny. There's no denying Ben Cousins was very sexy back in the day."

Ever get your gear off at a game?

"Luckily for my friends I listen to them when they say, "No, please don't Lucie!". If the fines weren't so excessive for streaking I would've definitely already done it!"

Alright if you're not nuding up at the footy, where do you?

"I feel like I'll strip off anywhere. I forget nudity is still a cultural taboo."

Not at THE PICTURE it isn't. Do you ever hook up with chicks?

"Yes, I appreciate the ladies, too."

What kind of blokes do you normally go for?

"Someone who's reserved and not arrogant. Maybe with a bit of mystery about them."

Who would be in your dream threesome?

"Joe Manganiello and Sofia Vergara are a cute couple."

We'll take your word for it.

MY FANTASY FUCK

READER'S ROOTS FROM AROUND OZ

SWEET DREAMS

ONE of my all-time crushes was with Jeannie, the spunky genie on the old TV show *I Dream of Jeannie*. I must've wanked off to her a thousand times and it was always my fantasy to have some chick dress up as her and ride me like a flying carpet.

But the couple of chicks I mentioned it to over the years just laughed and told me to forget it, so I never got to do it.

Fast forward a couple of decades and I was married with a couple of kids, a gem of a wife, everything sweet as, but I still hadn't got to live out my fantasy.

So one day when the missus was a bit frisky and asked me if there was anything new I'd like to do in the sack I just blurted it out.

Instead of laughing at me, she got this wicked look in her eye and said just leave it with her.

A couple of weeks later she told me she had a surprise for me, and to come up to the bedroom in 10 minutes.

When I did, she was lying there in the full Jeannie outfit, even the pony tail through the head gear, and all she said was "Come and fuck me, master."

I did all I could do not to spoof straight away as I ripped my clothes off and jumped her bones. I pulled her harem pants off to get at her beaut little smoo but before I could spread her legs and plunge my cock in, she said, "No master – let me serve you" and pushed me down.

She crossed her arms, sat on my fat one and moved her hips back and forward just like I imagined the real Jeannie would have done all those years ago. It wasn't quite a flying carpet, but it was pretty fucken good.

QUEEN FOR A DAY

I'M A horny woman who doesn't mind experimenting, so I've been there, done that – threesomes (both kinds), public rooting, even an orgy once.

But one thing I'd never done was play out my fantasy of being a queen and getting serviced by my slave studs.

Eventually it all came together. I had a couple of fuck buddies over and asked them if they'd mind.

Of course they didn't, so I had them strip off and present their dicks to me for inspection, then gave the order for them to massage me. While I lay back, one started on my feet while the other did my shoulders. It soon progressed to where one was going down on me while the other was sucking on my tits.

Then I clapped my hands like they do in the movies and demanded food and wine. They brought me a tray with a glass of wine and some chocolates and I had one feed me choccies in between sips of wine and told the other to keep licking me.

Then I had my choccie feeder fuck me while my licking slave brought his cock up to my mouth so I could suck it.

I could tell both of them were getting ready to come, so I clapped my hands again and had them switch back to massaging and licking, this time with me lying face down with my arse in the air.

Their cocks were so hard by this time they were quivering and I was aching to be fucked, so with another clap of my hands I ordered one to fuck me doggy while I deepthroated the other.

They didn't last too long, but when they both shot their spunk in me from either end, I came like a train, so I didn't mind.

Then I had them feed me more choccies and wine and massage me again. It's good to be queen!

GRAZI, BELLA

ME AND my girlfriend Liz watched a lot of porn together over the years and the porn star we both loved most was Belladonna.

We'd watch her pornos all the time and we'd be fucking and sucking within a few minutes of them starting, she was that bloody hot.

Liz looks a bit like Belladonna, she even has the same little gap in her front teeth, so it was so sexy to see Belladonna on the screen deep throating some huge wang while Liz was kneeling in front of me deep throating my not-quite-so-huge cock.

We'd imitate everything that was happening on the screen – it made us feel like porn stars ourselves.

When Belladonna finally retired we were a bit upset. Sure, there were all her old vids to watch, but we'd never be getting anything new.

It was like the end of an era, until Liz beautly suggested we could keep her spirit alive by fucking Belladonna-style as much as possible.

So she had her hair cut short like hers, dyed it dark, grew a little bush and practised every move of Belladonna's she'd seen on screen.

She even bought a toy baseball bat and let me stick it up her arse like in Belladonna's famous bat scene.

It was fucking hot having my fantasy porn star brought to life at home, but after a while we'd done all we could do on our own, and realising that Belladonna had done a shitload of lezzo porn as well, we asked a mate of Liz's who's a bit of a swinger to join us. I watched them eating each other out and jamming multiple fingers up each other's snatches before they both jumped on me and gave me a sloppy double blowjob.

The fantasy will be complete when I get a few of my mates around to reproduce one of Belladonna's incredible gangbangs, with Liz in the starring role. We're both looking forward to it.

I met him in a club at about 2am, grabbed him and said come with me and dragged him back to mine. We fucked until the sun came up." ***Are the youngsters eager to learn a thing or two from you?*** "I'm learning more from them! I've tried more new sex things in the past six months than I did in the last ten years!" ***It's never too late to learn.*** **WHERE IS THE MOST UNUSUAL PUBLIC PLACE YOU'VE HAD A ROOT?** "In the platypus house at a reptile park. There was no one there but the platypus, so we decided to have a crack."

MARJY // 25

We think 25-year-old Italian Marjy thought she was posing starkers for a fitness magazine rather than this filth periodical. ***Do you reckon a good, vigorous session on the end of someone's schlong is a great way to work out?*** "For me sport is life." ***Eh?*** "My degree is in physical education. At the moment I'm going to the gym. But I used to do pole dancing, Latin dancing, swimming, tennis and volleyball. I try to eat healthy and ride my bike." ***Have you ever ridden a bike while naked?*** "No, of course not. I am not crazy." ***It might make Sydney drivers less aggressive.*** "Oh. The drivers don't have respect. I yell at them." ***And give them the finger?*** "No, I try to be polite." ***Being naked would work better. Thanks for going in the mag.***

ISSUE 1460

PORT MELBOURNE, VIC

What is it like to pose naked with a friend? Whose idea was it? I'd love to see my friends naked and cuddle up to them and get photographed touching them. I'm just too scared to ask them.
MAI, ELIZABETH SA

SIERRA SAYS: ***"It was Ella's idea. She knows I'm an open person and down for anything. And the fact she's a friend makes it even more comfortable; two friends hanging out that just happen to be naked."***

ISSUE 1451

GOLD COAST, QLD

I know you German girls love to get naked. Do you miss the nude beaches in Germany? Maybe we could hang out at one here together. Do you go nude outside much in Australia? I hope you do.
IVAN, COLLINGWOOD VIC

SASHA SAYS: ***"Of course I do. I'll never understand why people wear clothes just to make them wet when you can just hop in as you are. Feels so much better, too. I don't leave the house in the nude, but I have a huge glass window at the front of my apartment and I don't bother covering up. I'm sure the tradies don't mind."***

"My biggest turn-on is when my partner is dominant"

KENDALL // 20

ST LUCIA, QLD

Twenty-year-old Kendall works in business admin, but away from the desk, someone else is in charge. "My biggest turn-on in bed is when my partner is dominant and shows me who's boss by being rough with me." ***How rough?*** "Pulling my hair, slapping my arse, biting me, choking me..." ***That is rough. What do you like about it?*** "Because in everyday life I like to be in control of everything otherwise I get flustered. And I guess sometimes this gets exhausting, so letting someone else take the lead during sex is refreshing to me."

WHERE IS THE MOST UNUSUAL PUBLIC PLACE YOU'VE HAD A ROOT? "I haven't really done anything in public before... except for this one time in a park at night."

"I love to be completely dominated"

Student and barmaid Ivory, 23, likes it when "he pulls me close to him, starts to kiss me, then pulls my hair to the side and slowly starts to kiss and nibble at my neck and work his way down". ***Is it always a he or do girls get a nibble?*** "I've not had the opportunity, but it has always been a fantasy of mine to be with a girl." ***What else do you fantasise about?*** "I love to be completely dominated. There are so many ideas about it. They always involve choking, hard spanking, control and biting. I like it when I have no power. It makes me feel free." ***Hmm, you know that is not actually what free means.***

WHERE IS THE MOST UNUSUAL PUBLIC PLACE YOU'VE HAD A ROOT? "I had sex in my car in the car park when the Royal Show was on. And I got caught by a security guard."

Dani: "I like my butt because it's round and perky. I like the initial fire of the sting when I'm being spanked." ***What about Angelica's bum?*** **Dani:** "Angelica has really smooth skin, especially on her bum. That's probably what I like the most." ***What turns you on about getting it on with other women?*** **Angelica:** "The thrill of it." ***Do they give better head?*** **Angelica:** "Depends on the person." ***What about Dani?*** **Angelica:** "She hasn't done it to me. "Hungover sex is the best kind of sex," states 21-year-old HORNDOG Gem. ***Why do you reckon that, Gem?*** "Because you're usually still a little bit drunk from the night before but not so drunk that you can't perform. Plus you get to sweat out a bit of the alcohol from last night." ***When was the last time you had a drunken romp?*** "A few weeks ago with a guy I met on Tinder. We went out for a date and had a few too many and went back to his place. He was so drunk he could hardly get it up, so we waited till the morning and he redeemed himself."

WHERE IS THE MOST UNUSUAL PUBLIC PLACE YOU'VE HAD A ROOT? "In the tray of a ute while roadtripping with a boyfriend. We pulled up at an abandoned beach car park and had a go in the tray."

"What girl would turn down the chance to get a professional magazine to publish naked photos of themselves?" asks 29-year-old artist Lily. ***Well…*** "OK, lots. But not this girl. It tickles my self-esteem, too." ***You must be a master of the nude selfie.*** "Absolutely, you'd want to look through my phone photos." ***You offering?*** "No-one snaps me as good as me. In-the-bath selfies are always a favourite." ***Just nude or do you get up to more?*** "I've made a good number of masturbation videos in my time. They're set in nature most often: I love a bit of self-love on film. You'd wanna see them: there's some fun stuff in those videos." ***Is that another offer?***

WHERE IS THE MOST UNUSUAL PUBLIC PLACE YOU'VE HAD A ROOT? "I was filming one of my videos on the side of the Yarra in the bushes. It was so pretty but I kept accidentally getting discovered by joggers. They got a good surprise."

In a crushing blow to the Aussie stripping industry, Mia, 23, has retired from pole-dancing. ***Why did you quit?*** "It just wasn't for me. I liked most of the men in the clubs, but the other strippers were horrible. One of them broke into my locker and stole a bunch of my stuff." ***Do you still get your clothes off elsewhere?*** "I'm always naked at home. I hardly ever wear clothes around the house." ***What was your address again? Have you ever done gardening like that?*** "We don't have a garden, but I would." ***Your best sex story happened…*** "After a big night drinking I ended up having a threesome with a few friends. This 38-year-old Kiwi stunna enjoyed her trip to Sexpo in Sydney. "I went on a ride on the simulated Penis Shafter. There was a short film playing on the screen and rows of seats. The film was a journey through the penis with a few pumps and turns along the way." ***Sounds better than most chick flicks. Did you get some sex toys while you were there?*** "After I exited the shafter I went and bought a bag full of toys." ***Tell us what you got.*** "An after-sex towel, a sex bell, a whip, a speed massage glove, a rabbit, a cockring, a scalp massager and a tongue Tingler." ***Customs must've loved checking your luggage.***

Snow White? Barry Manilow? Donald Trump?*** "Haha. It depends on my mood. But when I like to take control, it is Wonder Woman."

WHERE IS THE MOST UNUSUAL PUBLIC PLACE YOU'VE HAD A ROOT? "That's a tough one, I do have to say my favourite public place would be the beach. I'm never afraid to get caught when the sex is good, so I've been seen once or twice."

And not just guys either," raved the naughty nympho. ***Have you ever had a threesome?*** "No, I think sex should be one on one. And I need a lot of attention." ***What else do we need to know about your sex life?*** "I love pretty much everything, but I don't like sex going for hours. The whole thing should be over in 30 minutes or so. I hate these guys who just push away for hours. Sex should be passionate!" ***Is anal a good idea?*** "Yeah. It's a different kind of orgasm. It's not something I do all the time, but it's fun." ***That's music to our COCKS, Michelle.***
